TERM 4

Hello and welcome back to Term 4. I can't believe we are half way through the school year already! Please have a look at the Termly coverage which can be found on Seesaw and also on the website under curriculum, EYFS and on our class page. This will show what the children will be covering this term but as always, extra things will arise as children's interests emerge. This term we will be starting with 'Mr Wolf's Pancakes' to link in with Shrove Tuesday (as we love an excuse to make and enjoy food in Hedgehogs) and we will also be learning about Chinese New Year during the first week. We will then have book week to enjoy and we will spend time exploring space following on from some interest in this last term. Throughout the term we will be learning about some festivals that are celebrated by some of our friends and as always other topics may evolve depending on the children's interests.
