

Home Challenge Grid - Year 1

Term 5 2026

Strive for 5, 10 is zen,
15 is a dream and 20 is plenty!

Make a board game for you to play with your family	Go on a nature walk— What trees can you see? Are they deciduous or evergreen?	Make shapes by cutting paper. Can you fold these in half? Quarters? How do you know they are in perfect halves/quarters?	Find a unique or unusual reading place to share either your school book or a story book from home.	Practise your mouse skills by choosing a BBC Bitesize (KS1) game to play.... https://www.bbc.co.uk/bitesize/primary-games
Write instructions and get someone to follow them. (Make a sandwich, plant a seed, put on a coat...)	Make a poster about your village/town. What makes it special? Does it have any special landmarks/features.	Visit a sacred place for a religious person either in person or online. What can you see? Write a list of the features you see.	Make a map of the UK. Label the countries, capital cities and seas/oceans around it.	Make a weather report by recording yourself explaining what the weather is like and what people may need to wear.
Practise counting in 2s, 5s and 10s. Can you think of a fun way to do this? (Skipping, high fiving etc.)	Go on a signs of spring walk. What can you see that shows you that Spring has sprung?	Practise some of the activities we have been doing in PE. How can you send and receive a ball?	Make a natural art sculpture or picture by collecting objects you find when out on your nature walk. You could photograph these in the area you make them and leave them for others to enjoy.	Practise your tricky words! What is the most inventive way you can think of to practise?
