

Home Challenge Grid - Year 1

Term 3 2026

Strive for 5, 10 is zen,
15 is a dream and 20 is plenty!

Do a spot of bird watching. How many different birds can you see? https://www.rspb.org.uk/	<u>Have a go at making a straw rocket!</u>	Can you use your DT sewing skills to make a puppet?	Do something to help your family at home.	Can you find a way to measure rainfall?
Can you create a fact file about your favourite animal.	Play a board game with your family.	How many skips can you do with a skipping rope? Can you beat your highest score?	Collect a pebble from a beach and decorate it—pick an interesting one.	Write/ draw your own cartoon or even make a comic book.
Go on a shape hunt—what 2D or 3D shapes or shaped items can you find?	Try a vegetable or fruit that you have never tried before. Can you describe what it tasted like?	Practise using a number line (you can use a ruler or draw your own) to work out addition or subtraction problems under 10.	Play ball games with someone in your family (it could be a simple game of catch).	Build a den!
