

Squirrels Term 6

Hooray for Summer!

Welcome back to Term 6. We hope you had a lovely holiday, we can't believe it's our last term as Squirrels! This year has gone so quickly. As always, Term 6 will be incredibly busy but hopefully the sun will be shining!

We have the Phonics Screening coming up next week. This is nothing to worry about, they are all working so hard with their phonics and reading. We are very impressed!

This term in English we will be focusing on the story of 'Prince Cinders' - a rags to riches tale. In Maths we start off learning about place value of numbers up to 100 and then we will move into Position and Direction, followed by Time and Money!

Geography is all UK weather and in DT we are doing food technology, so we will be creating and eating a healthy picnic. In Science we will be continuing looking at plants and studying trees. In RE we will be answering the question 'what does it mean to belong to a faith community?'

We will also start doing transition activities this term to help Squirrels settle into being Otters next year. We are sure they will all have another fantastic year in Year 2.

We look forward to having a fantastic last term together!

Important Dates

Week beginning 9th June

Phonics Screening

Tuesday 24th June

School Trip

Thursday 26th June

Potted sports day

Friday 27th June

Sports Day

(Parents invited pm)

Friday 4th July
