

## Home Challenge Grid

Otters Class      Term 3      2026

**Strive for 5, 10 is zen,  
15 is a dream and 20 is plenty!**

|                                                               |                                        |                                      |                                                                  |                             |
|---------------------------------------------------------------|----------------------------------------|--------------------------------------|------------------------------------------------------------------|-----------------------------|
| Find as many materials used in your home for everyday objects | Take an interesting photo              | Paint a portrait                     | Go on a scooter/<br>bike ride                                    | Bake a cake                 |
| Help prepare a meal for your family                           | Build a den                            | Start learning to tie your shoelaces | Write a fact file about The Great Fire of London                 | Write and post a letter     |
