Otters Class Term 5 2026

**Strive for 5, 10 is zen,
15 is a dream and 20 is plenty!**

Write a non-chronological report about an explorer.	Grow something yourself.	Make shapes by cutting paper. Can you fold these in half? Quarters? How do you know they are in perfect halves/quarters?	Make a poster about the suffixes: ness and ment How many words can you think of that uses either of those suffixes?	Create a times tables quiz with answers for a sibling or parent and test them.
Start looking at clocks. What do you notice about the numbers? Can you try to work out o'clock?	Write a story about an explorer finding a new place. What would they find there? What would it look like?	Read a non-fiction book. How is it different from a fiction book?	Find as many halves in your house as you can. (Sandwich, clock etc)	Start a piggy bank to save your money. Consider what you might want to use it for in the future.
Practise tying knots in string or thread.	Practise tying shoe laces.	Create a river in a creative way. Challenge: can you label it?	Create a poster about how to treat others.	Create a game using recycled materials.
