NEXT WEEK

IN THE LAST WEEK...

Moles class went on an experimental journey this week where they participated in an Egyptian workshop provide to us by Living History. They made amulets for protection, played 'Senet' a game found in Tutankhamun's tomb and practiced hieroglyphic writing. The children were polite and very well behaved and had a great day!

Our Hedgehogs class enjoyed a visit from the Police today. They got the opportunity to ask questions and to look inside the cars, including an armoured vehicle. They especially enjoyed hearing the sirens!

We hope the children thoroughly enjoyed the SSA movie nights. These events were a great success, and we would like to extend our thanks to the SSA for organising such enjoyable experiences for our children. The SSA raised a fantastic total of £481.77 from these events that will go towards the WILD learning Area.
