IN THE LAST WEEK...

Attendance has been excellent this week, with all classes achieving over 95% and a whole-school average of 97.2%.

Each week, the class with the highest attendance is awarded a gold coin. When a class collects five gold coins, they are rewarded with a cake treat. So far, three classes have enjoyed their cakes: Moles, Badgers, and Hedgehogs (twice!).

The current gold coin scoreboard can be seen below.

We are very grateful to one of our families for generously donating a LifeVac to the school. LifeVac is a non-invasive, portable device designed to be used in the event of a severe airway obstruction (choking). The device will be kept on site, and our policies have been updated to reflect this addition. All of our staff are trained in basic first aid, and the LifeVac would only ever be used as a last resort in a choking emergency, after standard Basic Life Support procedures have been followed, in line with current UK first aid protocols.

Thank you for helping Rota Kids to raise money for polio vaccines. The final total was £197 which means that you have raised enough money to help save 985 children's lives, as vaccines are 20p each.

Once again thank you so much for your donations.
