IN THE LAST WEEK...

Happy National Skipping Day!

The children enjoyed some fantastic skipping fun this week with our brand-new skipping ropes. It has been wonderful to see pupils trying out new games, working together, and staying active — something we're sure will continue during playtimes.

Year 4 had a brilliant trip to Led by the Wild for an exciting outdoor learning session. A huge thank you to the Rotary Club for their generous support with transport.

Another highlight of the week was our archery activities. The children showed great concentration as they learned new skills and challenged themselves.

Parents' Evening was a lovely opportunity to welcome families into school and discuss the children's progress and achievements. Thank you to all who attended and for your continued support. The Easter Bunny has also delivered a special bundle of active challenges, just like Belle the Elf did at Christmas. The children will discover all of these exciting activities on Monday.
