IN THE LAST WEEK...

Parents should now have received the brief mid-year reports. The attainment information included is based on assessment data from the end of Term 2. While teachers continually assess pupils throughout each term, formal data collection takes place in Terms 2, 4, and 6. If you would like to know more about this process, or if you have any questions about your child's report, please speak to a member of staff.

Led by the Wild visited Moles Class this week to explore an exciting collaborative opportunity within the school. The children shared a range of imaginative ideas, with suggestions ranging from creating a dead hedge to designing new zoned areas.

We have also begun planning this year's Book Week, which will follow the theme 'Puzzles and Mysteries'. Information about activities taking place both during and after school—many involving children and parents—will be shared in the Swan. Please keep an eye out for further details.
