IN THE LAST WEEK...

This week, our school has been buzzing with eco excitement as each class explored a unique environmental theme during our Eco Week. From Reception's focus on biodiversity and healthy living, to Year 1 diving into marine life, Year 2 investigating energy, Year 3 exploring transport, Year 4 learning about water, Year 5 tackling litter, and Year 6 discussing global citizenship—everyone has been thinking deeply about how we can 'take care of our planet and learn how to keep it healthy!'

Each class has created a proposal for how our school can become more eco-friendly, which will be shared with Governors and presented in assemblies to the other children next term. We hope to turn these proposals into reality over the coming year.

The children have been invited to take part in a fun challenge: make something useful out of rubbish (the closing date is Tuesday 28 October see page 2.)

Those, pupils in in KS2 who have been showing great enthusiasm over the week will be invited to join our new Eco Group, which will be announced next term.

It's been a fantastic week of creativity, learning, and green thinking!

MISSING

We've received reports that a **pink Isporter 3-wheeler scooter** has gone missing from our scooter rack. We understand that more than one child may own a similar scooter, so we kindly ask all parents to double-check that the scooter brought home is indeed the correct one.

SUPER SELINDGE SWAP SHOP

HALLOWEEN COSTUMES

27TH OCTOBER –
7TH NOVEMBER

Foxes Class have suggested that a good way to reduce waste would be to repurpose items that we no longer need.

Their first swap shop will be for any Halloween costumes that are no longer needed. They will collect them in school and, for a swap (or small donation), you can take away any items that would be suitable for you to use this year.

Well done to Hedgehogs Class for 5 gold coins this term and also winner of Barry the Attendance Bear for the best attendance in Term 1
