IN THE LAST WEEK...

A huge congratulations to all the children who put themselves forward for this year's elections. The results of the House and Class votes are listed below, and we are confident that our newly elected House Captains, Vice Captains, and School Councillors will represent their peers with pride and responsibility.

This week, Moles Class took part in a fantastic Money Matters workshop led by the Ootiboo team. The children explored key concepts around money and financial awareness in a fun and interactive way. Ootiboo offers a range of exciting projects both in school and at home—click on the Ootiboo icon to discover what's currently available, including a brilliant competition to design your very own monster!

We also held our first fire drill of the academic year, and we're pleased to report that the entire school evacuated efficiently. Everyone was out of the building and accounted for in under two minutes—an excellent start to our safety procedures this term.
