IN THE LAST WEEK...

It has been lovely to welcome everyone back to school and see so many smiling faces looking smart and ready for the year ahead. There has been a real buzz around the school as children settle back into routines and reconnect with friends.

In today's assembly, we spent some time reflecting on our school values and how they can help us all have a happy, successful and rewarding year together. These values are at the heart of everything we do and guide us in being the very best versions of ourselves.

Why not ask your child if they can remember our five core school values? You might be surprised by how much they can tell you!
